| Essential Question | How can I use art to express who I am?                                                                                                                                                                                                               |
| I Can              | <ul style="list-style-type: none"> <li>• I can take care of art materials and work safely</li> <li>• Use art materials only for their intended purpose</li> <li>• Use household objects to build the letters of my name in a creative way</li> </ul> |
| Notice and Wonder  | Do you notice everyday objects have different shapes and textures? I wonder what objects might work best for your ideas.                                                                                                                             |
| Reflection         | Look at your finished artwork. What is one thing it shows about YOU that someone might not know just by looking at you?                                                                                                                              |
